National EAA Number

What can your EAA chapter do to improve/get you to come to more meetings?

Why did you join Chapter 100?

Do you have any special skills/ratings you could share with the chapter?

Suggestions on improving the newsletter or website?

If you are building or have built: Please email photos of your project to webmaster@eaa100.org. Or give me a CD at a meeting or mail one.

What are you building, or what did you build?

When did you start/finish?

What's the most fun part of building?

What's the most difficult part of building?

What's the most time-consuming part of building?

About how many hours/years have you spent on building?

About how much will the project cost in dollars?

If you knew when you started, what you know now, would you have started the project?

EAA Chapter 100, 2010 Survey
